## Card Layout

Be sure to indicate where your images are to be placed on your card. For example, for a standard card you need a front, #1, and positions for the back images, 2,3,4 etc. You can label the back of each image with a sticker or write out on paper ex: "black top #2" "yellow skirt #3" etc.

2	3
4	5

Images will be cropped and sized to fit the dimensions of the card. Order a proof to view the changes before printing.

## Turnaround Time

3-4 days from the time of payment, for the proof and 2-3 days from the day of approval for printing. Additional time (1-5 days) is needed for shipping via FedEx. (Note: This is an estimation and is subject to change during high volume periods).

## Proofs

Proofs are optional but highly recommended. We make them optional to save you money and time. However, if the card does not turn out the way you think it should NO REFUNDS, REPRINTS or DISCOUNTS will be given to redo the cards unless you order a paper proof. NO EXCEPTIONS.

## Retouching

Removal of blemishes and moles is free. Wrinkles, slimming of hips/thighs, hair removal, background removal or other alterations of the image are charged in 15 minute increments @ \$20. Contact us for a quote on your specific photo. Simple touch ups like 1-2 blemish/mole removal are free.
